

We're by your side: Stay home, stay productive.

Technology in place, Team in check.

The global pandemic has changed a lot of things about the way we live our lives and work. One thing it hasn't changed, however, is our need to connect and collaborate. And at the heart of all this is technology. Technology tears down physical boundaries, allowing us to talk to each other, see each other and work together with ease—even from afar.

#DudukRumah: Helping you enable remote work.

Microsoft 365 is a complete, intelligent solution that is designed for secure and seamless collaboration for everyone, from anywhere. Here are some of our coolest features:

Empower people to stay productive

Make productivity applications available on any device

Enable people to meet and collaborate from home

Engage people with virtual events & communications

Deliver the best virtual desktop experience

Maintain security & control

Secure remote access to applications

Secure managed & unmanaged devices

Bring your team together from anywhere for business continuity

We recognize that businesses like yours are amongst the hardest hit by the global pandemic and economic slowdown in Malaysia.

In support of all SMEs in Malaysia during this time, we are making Microsoft Teams available for free for 6 months* as part of our Office 365 Promo.
